

The Mission of America's Hometown Thanksgiving Celebration

America's Hometown Thanksgiving Celebration is committed to its mission of bringing to life the highest qualities the first Pilgrims embraced.

Courage, fortitude, faith, virtue and brotherly love – the Pilgrim legacy – a legacy of Character that formed the cornerstone of America. Our mission is to preserve the integrity of this legacy by focusing on key individuals and events in our American Pilgrimage where this character has been exemplified. Our goal is to lead our nation in giving thanks to God for the blessings of this inheritance, by producing a Thanksgiving Celebration of excellence in Plymouth, America's Hometown, where Thanksgiving began.

From all of the volunteers who make up our Committee, we pray that you will see our goal of giving thanks to God for our manifold blessings this Thanksgiving!
